With the passage of years, you may look  
 back upon this school year as the time  
 when the so called stillness of ignorance  
 became the motion of learning.

The class of 1966 realizes that in this,  
 our year, we have begun to move, to set in  
 motion our ideas, our training, our leader-  
 ship that we have learned at Trott. We are  
 indeed ready to move on to greater and  
 higher horizons.

## CLASS HISTORY

As our days at Trott draw hastily to a close, let's take a last look down the halls and recall some of the happenings of the past three years.

As sophomores in '63 we entered with a vocation chosen to be our life's work or at least to be a stepping stone to another. There was hard work but along with it came fun and enjoyment.

We can remember our Halloween Dance, the Hill-billy Hop with the live chickens as door prizes and our roller skating parties. Just think, we were the last to skate at Jo-Betts now it's the Hully Gully. In November we mourned the death of our beloved President John Fitzgerald Kennedy.

As juniors, we enjoyed seeing "Help", "It's a Mad, Mad, Mad, World" and all the "Beach" movies at the local theatres. "The Greatest Story Ever Told" was presented at Christmas and we welcomed the wrestling team as a new sport to our school. The dance crazes were the "Swim" and "the Frug".

Now as Seniors, our days are both happy and sad, for we are in motion as the theme of the TROT-TARIAN indicates. We have had our bakesales, car washes, jewelry sales, manicure days and candy sales all for the benefit of the Senior Class and the school. Now, as we are about to leave these halls and pass through the door to our future, graduation has a special meaning. Our last thoughts of our Alma Mater will always be in our hearts as cheerful memories, as we recall its teachings of life, education, new friends found and made while at Trott.
